

Ameris Bank Donates \$1,805,000 to Support 18 Rural Georgia Hospitals

ATLANTA , May 2, 2022 /PRNewswire/ -- As part of the Georgia HEART Hospital Program, Ameris Bank has donated \$1,805,000 to 18 rural hospitals throughout Georgia. Ameris Bank has participated in the program since 2018, contributing more than \$7,800,000 to rural Georgia hospitals.

"Hospitals and their dedicated healthcare workers have gone above and beyond, especially over the past few years, to support their patients and communities," said Ameris Bank CEO Palmer Proctor. "We are proud to support these hospitals and know they will put the funds to good use to continue delivering compassionate and quality care."

The Georgia HEART Hospital Program partners with the Georgia Rural Hospital Tax Credit bill (State Bill 258) to increase funding to rural and critical access hospitals in the state of Georgia. Each hospital can use the funds donated by Ameris Bank in the way that best meets its specific needs to provide quality healthcare to patients.

The 18 rural Georgia hospitals that received donations from Ameris Bank include: Brooks County Hospital (Quitman), Coffee Regional Medical Center (Douglas), Colquitt Regional Medical Center (Moultrie), Crisp Regional Hospital (Cordele), Donalsonville Hospital (Donalsonville), Effingham Hospital —Springfield (Springfield), Irwin County Hospital (Ocilla), Jasper Health Services, Inc.
